

“BASIC PLANT TAXONOMY”
Capacity building workshop for frontline staff
of HP Forest Department.

A capacity building training programme titled “Basic Plant Taxonomy” for frontline staff of the State Forest Department was organized by Himalayan Forest Research Institute (HFRI) in collaboration with HP State Biodiversity Board (HPSBB) on 29th and 30th August 2018 at Conifer Campus, HFRI, Panthaghati, Shimla. The training was funded by HP State Biodiversity Board (HPSBB) and Himachal Pradesh Council for Science, Technology & Environment (HIMCOSTE).
