Biodiversity board to rein in private drug-making firms

KULDEEP CHAUHAN

TRIBUNE NEWS SERVICE

SHIMLA, MAY 22

After giving them a free run for about 14 years, the HP State Biodiversity Board (HPSBB) has decided to rein in private companies that have been making drugs, herbal and other products by misusing bio-resources.

These companies will now have to pay about two per cent of their share to the panchayat-based biodiversity management committee (BMC) under the Biological Diversity (BD) Act, 2002.

The neighbouring Uttarakhand has already prepared the Peoples Biodiversity Registers (PBRs) documenting its biological resources but Himachal has woken up to implement the Biological Diversity Act after 14 years.

The Act is being implemented on a pilot basis in Shimla, Sirmour, Kullu and Chamba districts.

"The PBR will document each traditional crop like 'lal chawal' and 'kodra', both traditional pahari grains and other bio-resources available in the panchayat area. Once documented, farmers can patent them as well," said Kunal Satyarthi, member secretary, HPSBB.

The board organised a training workshop involving NGOs, government departments, panchayat and zila parishad members of Sirmour district at Nahan to sensitise people on the Act, he added.

"We will constitute BMCs in all districts. The idea is to empower the sources of livelihoods of villagers," Satyarthi said.

Though nobody knows the exact dimension of the bio-business that flourishes on biological resources of the state, the experts suspect it runs into several mil-

lions of rupees every year.

As of now, the Himachal Government has been giving a free hand to the private bio-business companies and individuals engaged in herbal and bio-resources businesses.

The panchayat-based BMCs would ensure the implementation of the Biological Diversity Act and help prepare the PBRs, said Dr Pankaj Sharma, a scientist.

Ajay K Lal, director, Environment, Science and Technology, who is also the member secretary of the HPSBB, said the Act had been implemented in the state and BMCs would be formed in each district.

District and Sessions Judge, Nahan, Baldev Singh, said, "The Biodiversity Act needs to be implemented for conservation and sustainable use, sharing its benefits and traditional knowledge at the local level."

Implement Biological Diversity Act: Judge

TRIBUNE NEWS SERVICE

SOLAN, MAY 23

The HP State Biodiversity Board organised a one-day training workshop on the occasion of International Biodiversity Day at Nahan yesterday.

It was attended by about 250 participants, including members of the Zila Parishad and the Block Samiti and panchayat pradhans and officers of the Forest, Agriculture, Horticulture, Animal Husbandry, Ayurveda and Education Departments, officers of the district administration and NGOs of Sirmaur district.

Baldev Singh, District and Sessions Judge, Nahan, was the chief guest on the occasion. Addressing the participants, he expressed the need for the implementation of the Biological Diversity Act, 2002, for conservation, sustainable use and sharing the benefits

accruing out of the use of biological resources and traditional knowledge based on local bio-resources at the local body level as per the provisions enshrined in the Biological Diversity Act, 2002, and Rules, 2004, for prosperity and posterity of the state.

Kunal Satyarthi, Joint Member Secretary, HP State Biodiversity Board, welcomed the chief guest and briefed the participants about the importance of the day and the need for training the people for the implementation of the Biological Diversity Act, 2002, and Rules.

Ajay Kumar Lal, Director, Environment, Science and Technology, HP-cum-Member Secretary, briefed the participants about the activities of the board.

YP Gupta, Conservator of Forests, Nahan Circle, informed about the initiatives undertaken for conservation and sustainable

use of bio-resources at the local body level in close association with various departments.

Harban Singh Brascon, ADM, Nahan, in his address appreciated the role of officials in the implementation of the BD Act, 2002, on a pilot basis in the district.

Two technical sessions for training the participants were conducted by Ajay Kumar Lal, Member Secretary, HP State Biodiversity Board, who delivered his lecture on biodiversity, importance of biodiversity, threats/issues, sustainable use and sustainable use.

Dr Pankaj Sharma and Dr Dushyant Sharma, scientific professionals, spoke on the formation of biodiversity management committees at the local body level, their role in implementing the Biological Diversity Act, 2002, and creation of Peoples Biodiversity Registers.

बिच्छू से होता है ब्रेन ट्यूमर का इलाज : बलदेव सिंह

नाहन में जैव विविधता पर आयोजित कार्यक्रम में जिला एवं सत्र न्यायाधीश रहे मुख्यातिथि

अमर उजाला ब्यूरो

नाहन(सिरमौर)। क्या कभी किसी ने सोचा है कि जिसे हम जीवन के लिए जहरीला व खतरनाक समझकर मार देते हैं। उसी बिच्छू के इलाज से ब्रेन ट्यूमर का इलाज भी होता है।

यह बात नाहन एसएफडीए हॉल में अंतरराष्ट्रीय जैव विविधता दिवस मौके पर आयोजित एक दिवसीय कार्यशाला में बतौर मुख्यातिथि जिला एवं सत्र न्यायाधीश बलदेव सिंह ने कही।

उन्होंने कहा कि पृथ्वी पर पाई जाने वाली समस्त जैविक प्रजातियों का अपना-अपना विशेष महत्व है जिसे अधिकतर लोग नहीं जानते हैं।

कार्यशाला में उपस्थित वन विभाग के पदाधिकारियों जिला परिषद के सदस्यों ग्राम पंचायतों के प्रधान व उपप्रधान, कृषि-बागवानी, पशुपालन, आयुर्वेदिक विभाग सहित विभिन्न विभागों के प्रशासनिक अधिकारियों व स्वैच्छिक संस्थाओं के प्रतिनिधियों को संबोधित करते हुए उन्होंने जैव

विविधता अधिनियम 2002 तथा जैव विविधता के महत्व के बारे में विस्तार से जानकारी दी। जैव विविधता बोर्ड के संयुक्त सदस्य सचिव कुणाल सत्यार्थी ने प्रतिभागियों को कार्यशाला के उद्देश्य के बारे में अवगत करवाया।

उन्होंने जिले के जैविक संसाधनों के संरक्षण व सतत उपयोग के लिए स्थानीय इकाई स्तर पर अन्य विभागों सहित विशेष रूप से वन विभाग के साथ मिल कार्य करने का आह्वान किया।

अरण्यपाल वार्डपी गुप्ता ने जैव विविधता प्रबंधन समिति के गठन की आवश्यकता को महत्व देते हुए बताया कि मौजूदा समय मानव द्वारा जैविक संसाधनों का दोहन अवैज्ञानिक तरीकों से लगातार किया जा रहा है जिसमें ईंधन, चारा, इमारती लकड़ी, जड़ी बूटियों, मांस आदि के ज्यादा प्रयोग से जैविक संसाधनों पर दबाव बढ़ रहा है। इससे कई प्रजातियों के अस्तित्व पर खतरा भी पैदा हो गया है। वन मंडलाधिकारी नाहन निशांत
